

Luxembourg Investment Solutions S.A. (LIS) is a leading third-party Alternative Investment Fund Manager and UCITS management company with a strong focus on Private Equity, Real Estate and Debt Funds.

We help investment managers and investors materialize their investment ideas through turnkey solutions in all aspects of administration and servicing of the investment vehicle and supporting structure.

Due to our continued successful expansion, we are looking for a:

Product Manager Alternatives (m/f)

Your main responsibilities:

Client relationship

- Be the first contact for clients' and investors' requests
- Coordinate the setup of the fund structure as well as the implementation of the relevant contracts, SLA / OM in cooperation with the external lawyers and service providers
- Co-ordinate with internal and external providers on the full life cycle of the fund

Liquidity Management

- Monitor the capital calls and distributions within the fund structure
- Ensure the recovery of cash to investors in compliance with the prospectus of the funds
- Manage the cash effectively at all levels
- Invoice processing / co-ordination

Accounting and Audit

- Supervise the external service providers to ensure the timely valuation and accounting production
- Monitor valuations are correctly reflected within the financials
- Monitor the yearly audit process and liaise with the auditor and central administration

Reporting

- Monitor and perform the ongoing reporting process (e.g. investor, client and regulatory reporting)
- Ensure the timely submission of the fund reporting and documentation in accordance with the fund's reporting calendar

Other Compliance

- Setup and monitor the AIFs reporting / corporate calendar
- Ensure compliance with tax and legal obligations advice as given by Legal and Tax service providers of the fund
- Setup and ensure the compliance of the contractual obligations of the fund (prospectus, articles of incorporations, joint venture agreements etc.)

Your profile:

- Degree from a Business school in Business Management or Accounting / Finance
- Minimum 2 - 5 years experience in the financial / alternative sector
- Good knowledge of alternative fund structures / asset classes (i.e. real estate, private equity, debt, fund of funds)
- Good accounting knowledge (either Lux GAAP or IFRS)
- Extensive knowledge of Luxembourg investment laws, in particular the AIFM law
- Extensive knowledge of Microsoft Excel
- Native English; German is an asset but not necessary

What you can expect:

- An innovative, modern business environment
- Team: oriented environment and good corporate culture
- Performance-based compensation incl. further benefits
